Moving to Vik

We are contacting you because you registered in Vik municipality after the 1st of January 2000. The municipality of Vik is now starting a new project to make Vik an even more attractive place to move to. We are therefore interested in the reasons why people decided to move to Vik and which factors were important in their decision to stay. We also want to know about any improvements that could be made to help new citizens to start their new lives in Vik.

We would be very grateful if you would share some of your own experiences with us. The questionnaire is anonymous. The information you give will contribute to the efforts that are made to help future immigrants in Vik.
