

Questionnaire survey

Moving from Vik

Vik kommune

We are contacting you because you moved away from Vik municipality in the time periode after the 1st of January 2000. The municipality of Vik is now starting a new project to make Vik an even more attractive place to move to. We are therefore interested in the reasons why people decided to move away from Vik.

We would be very thankful if you would share some of your own experiences with us. The questionnaire is anonymous. The information you give will contribute to the efforts that are made to help future immigrants in Vik.

1. In which year did you move away from Vik?

2. For how long had you been living in Vik then?

years

3. What were your reasons why you decided to move away from Vik?

4. What could change your mind and make you moving back to Vik again?

5. Do you have suggestions what could be done to help new citizens in Vik?

no

yes, these suggestions (Please use a separate sheet if not enough space):

Finally, a few questions about your person:

6. How old were you when you moved away from Vik? years

7. Are you originally from Vik? yes no

8. What is your citizenship?

Possible earlier citizenships:
